

Sales Profit Booster Personal Use License

✓ What You *Can* Do:

- Use the Sales Profit Booster widget on **your own websites**, funnels, and landing pages.
 - Customize widget content (names, styles, animations) using the included ChatGPT guide.
 - Apply the widget to **any personal project**, including ecommerce, SaaS, coaching, affiliate, and info-product funnels.
 - Use the widget across **multiple pages** within your own business.
-

✗ What You *Cannot* Do:

- You may **not** resell, share, or redistribute the widget under any format or channel.
- You may **not** offer the widget as a bonus, lead magnet, or freebie.
- You may **not** install the widget on client websites (unless granted a separate commercial license).
- You may **not** edit or modify the script for resale or as part of another product.
- You may **not** sell or transfer **any rights** to this widget — including source code, design, or branding.
